

2022 CANADIAN CLOSED CHAMPIONSHIPS

Environmentally Responsible Measures

- **Human Resources**
 - Involves volunteers for the realization of the event;
 - The venue of the event is accessible to people with reduced mobility;
 - First aid services will be on site;
 - Has a security policy.

- **Food and Management of Residual Materials**
 - A water fountain service is available on site to minimize the use of plastic bottles;
 - Reduction of residual materials by using compostable plates and glasses;
 - The venue has recycling and compost bins;
 - Reduced food waste by increasing the number of grocery store visits during the event for small orders;
 - Promotes healthy eating habits by offering healthy products and menus and the vegetarian option will be offered.

- **Environmental Awareness and Education**
 - Communicate and promote the eco-responsible measures put in place for the event;
 - Train volunteers to promote these eco-responsible measures during the event.

- **Transportation, Travel and Greenhouse Gas (GHG) Emissions**
 - The event venue and hotel are within walking distance (5 minutes) and close to public transportation to reduce GHGs;
 - We will prioritize local purchases for food and materials needed to hold the event to minimize GHGs;
 - We encourage the participation of local artisans;
 - For the transportation of officials from the airport to the hotel, we will, whenever possible, ensure their transport by our volunteers.

- **Communications**
 - We will communicate event-related information to the general public by means of our website and social media, thus reducing printing on paper;
 - We will communicate with participants and with dance schools only via email, thus reducing printing on paper;
 - We will use a specific type of display on the event site, helping recuperation and reuse in the medium and long term;
 - The scoring system for competitions will be electronic;
 - The event program will be available online and can be downloaded. Anyone who would like a printed program will have to request it and pay the fees.
